Sycamore Logistics — job applicant text messaging opt-in

Captured November 13, 2026 from the live online application at `https://app.alliumproject.com/apply/DBA7` (linked from every job on https://www.sycamore-logistics.com/en/careers).

Texting is optional and is not a condition of applying. On the contact step the applicant sees an **unchecked** box beside the consent statement, with links to the SMS Privacy Policy (https://www.sycamore-logistics.com/en/legal/sms-privacy) and SMS Terms (https://www.sycamore-logistics.com/en/legal/sms-terms). Applicants who leave it unchecked are contacted by email only. The exact statement shown and the time of consent are stored with each application. A Spanish version is shown to applicants who choose Spanish.

English — step 1 (start) and step 2 (contact and optional text consent)

Spanish — step 1 and step 2
